## **Amesbury Veteran Tax Work-Off Program 2022 Overview**

The Amesbury Council on Aging will continue to administer a Senior Citizen Property Tax Work-Off Program for residents. The job opportunities available are for special projects and assistance to Department Heads in the various City offices.

### Program Requirements:

To be eligible for the program, applicants must reside within the City of Amesbury and own and occupy the property for which taxes are to be paid. There are no asset restrictions. Applicant must be a Veteran with a valid DD214 with honorable discharge. VSO verification is required.

### Compensation:

- \$14.25 per hour;
- Participants will receive abatement for up to 105 hours of service. Any hours worked beyond the 105 hours cannot be accumulated for the Tax Work-Off Program. Participants are entitled to no City employee benefits and they present no liability to the City;
- Maximum amount of abatement is \$1,500 per person on 2023 property taxes worked between January through October 2022;
- Payment will be made via an abatement on the tax bills the following year. A paycheck will not be issued to the program participants.

### Taxpayer must:

- Own and occupy the property as his/her principal residence;
- Only one (1) tax credit per family per calendar year is allowed;
- All hours of work must be completed by the participant. No other person can work on the senior's behalf to fulfill the hours;
- Be current with property tax and water/sewer payments;
- Possess and identify employable skills;
- Complete a CORI check and/or provide references if required by the worksite;
- Complete an online Conflict of Interest Training;
- Be interviewed for job placement by the Amesbury Council of Aging Director;
- Time sheets must be signed off by the department supervisor each day that is worked. A final accounting of time worked will be submitted to the Council of Aging Director. Once verified, the Council on Aging Director will notify the Tax Collector, who will apply the abatement, based on the number of hours worked, to the participant's 2023 property tax bill.

#### Job Placement for a Tax Credit Position:

- Priority for program participation will be determined based on income and to applicants who have not yet participated in the Senior Citizen Property Tax Work-Off Program. Primary consideration will be given to first time applicants. Individuals previously chosen for the program may make re-application in subsequent years. No applicant is guaranteed a position. A lottery system may be used if there are more applicants than available positions;
- Individuals will be chosen based on the best match between the application's qualification and the skill requirement of each job. There is no guarantee that a placement can be matched with a participant based on worksite needs and skills of the participant;
- Applicant will be interviewed by the department supervisor of the position or which they have been placed;
- There will be a two (2) week probationary period to assess the appropriateness of the placement;
- Program participants may not work for relatives who are City employees.

#### Deadline Dates:

- Applications available Nov 2, 2021 online and at the Senior Community Center. Interview appointments may be scheduled when picking up the application or by calling 978-388-8138;
- Participants qualifying for the program will be notified by January 30, 2022;
- Job site supervisor will interview participant as soon after placement as possible;
- Work may commence for participants after interviews have been completed and participant has been assigned. Worksite schedule will be determined by worksite supervisor and participant.
